Advanced Technology  
for Industry: SATI)**

**24 September 2018**

**SYNCHROTRON  
THAILAND  
CENTRAL LAB**

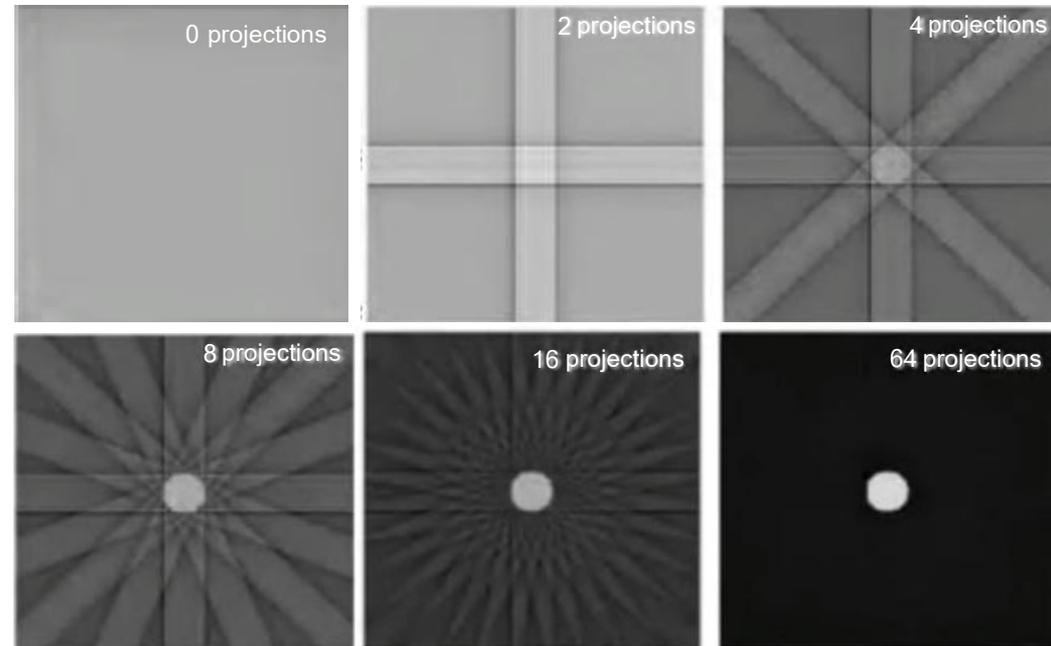

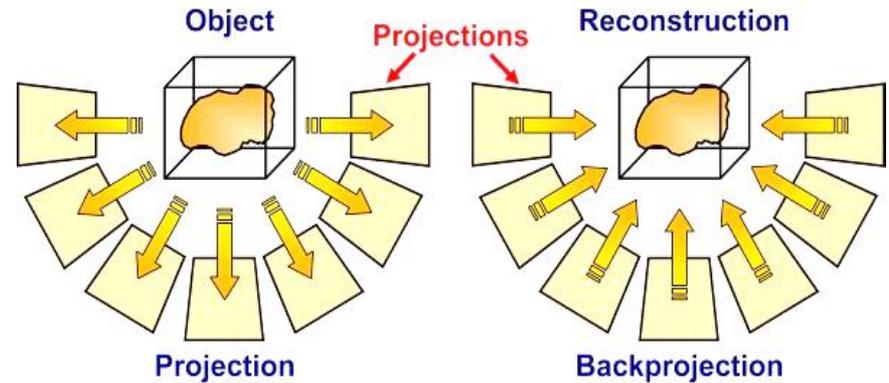

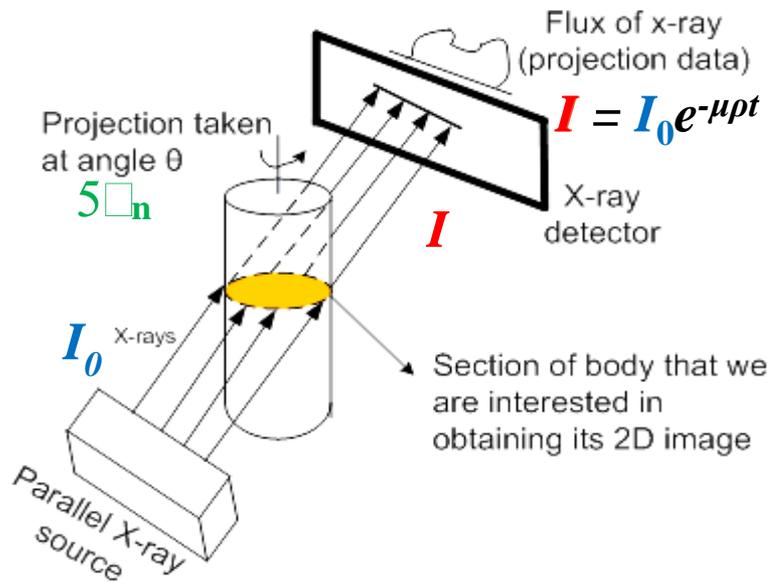

# **X-ray MicroCT: Revealing the Matter Inside Your Products in 3D**

---

**P. Pakawanit and C. Rojviriya\***

\*Beamline manager  
SLRI, Thailand

# Principle of X-ray MicroCT

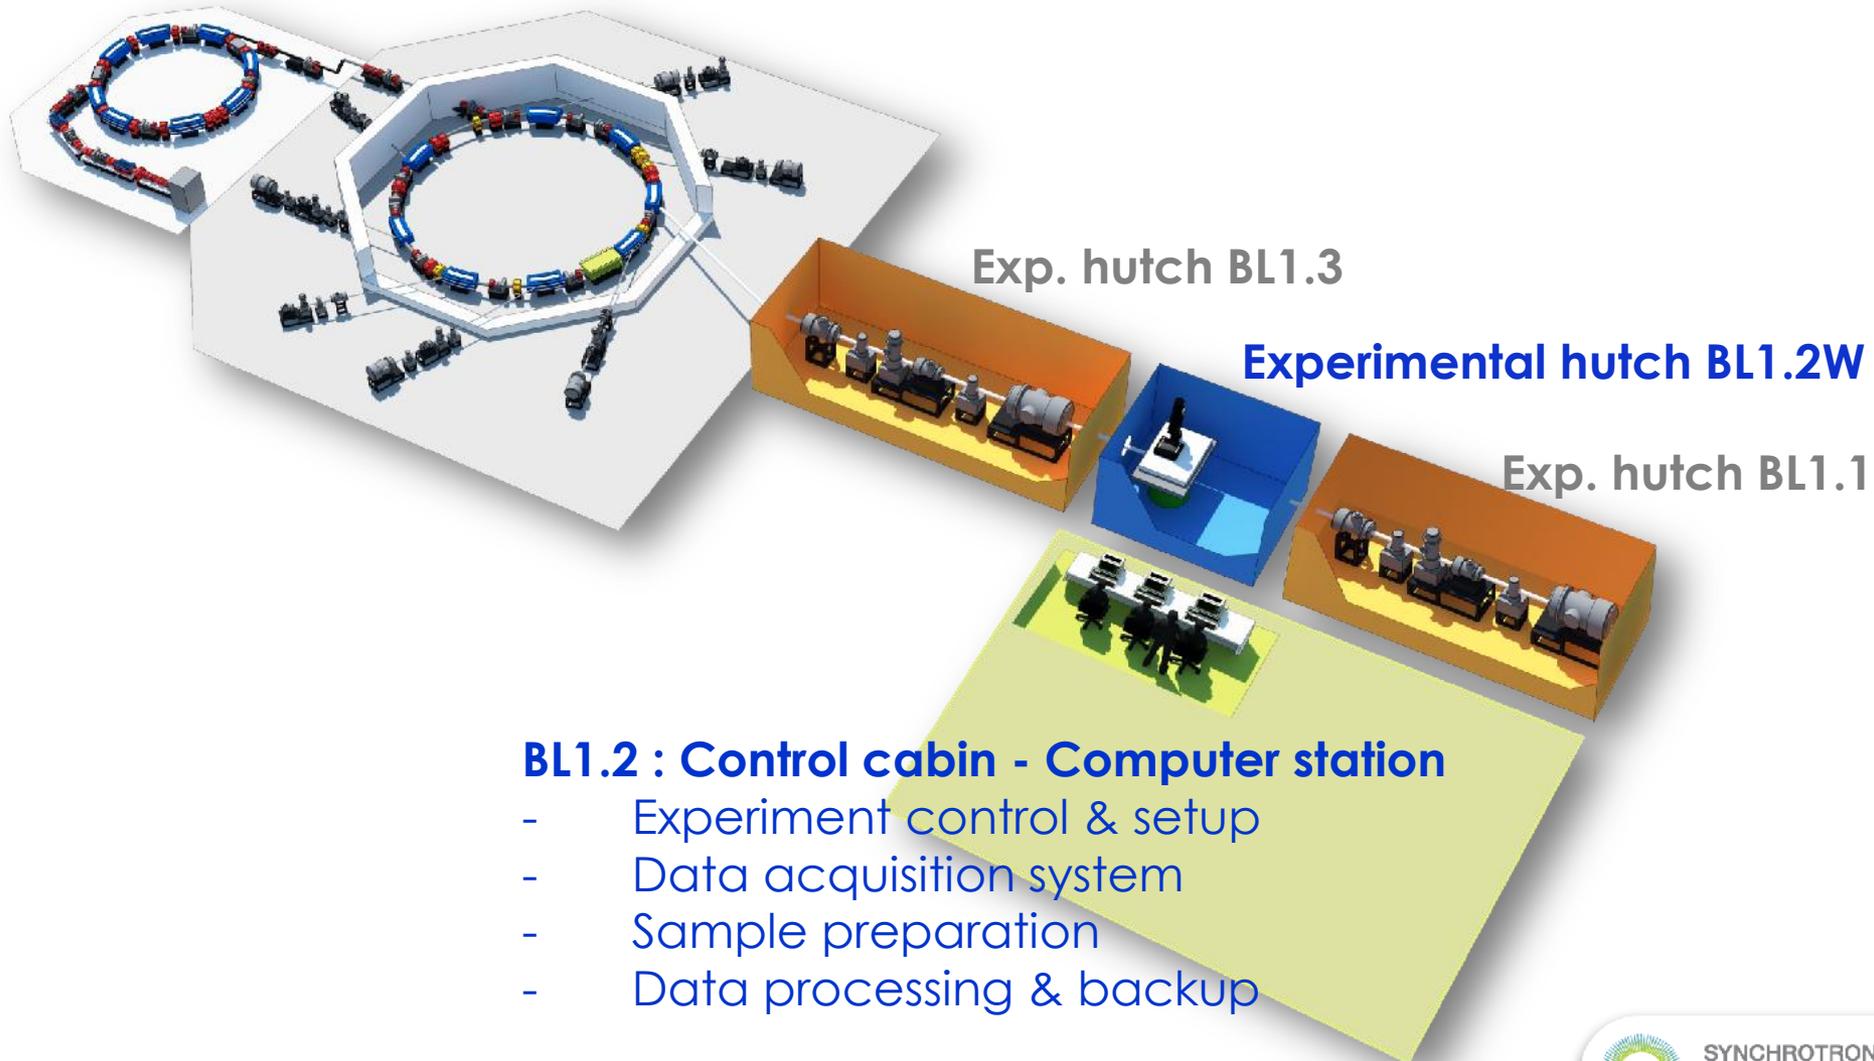

# X-ray MicroCT Beamline

X-ray Tomographic Microscopy

Beamline 1.2W

Experimental station

Exp. hutch BL1.3

Experimental hutch BL1.2W

Exp. hutch BL1.1

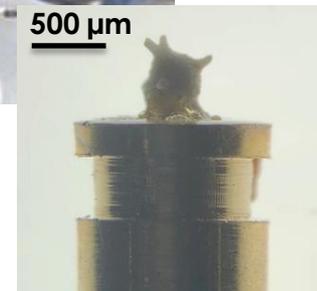

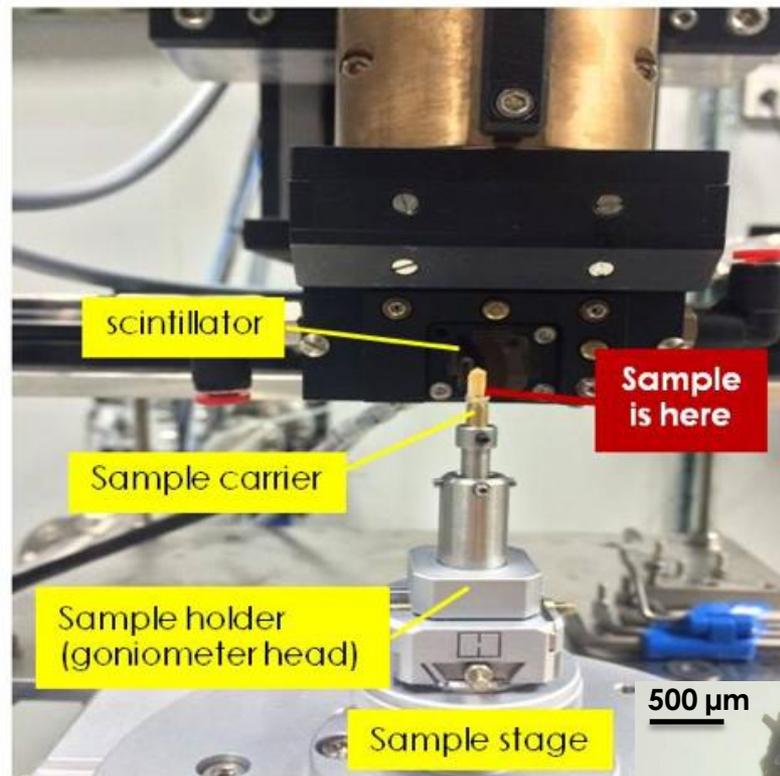

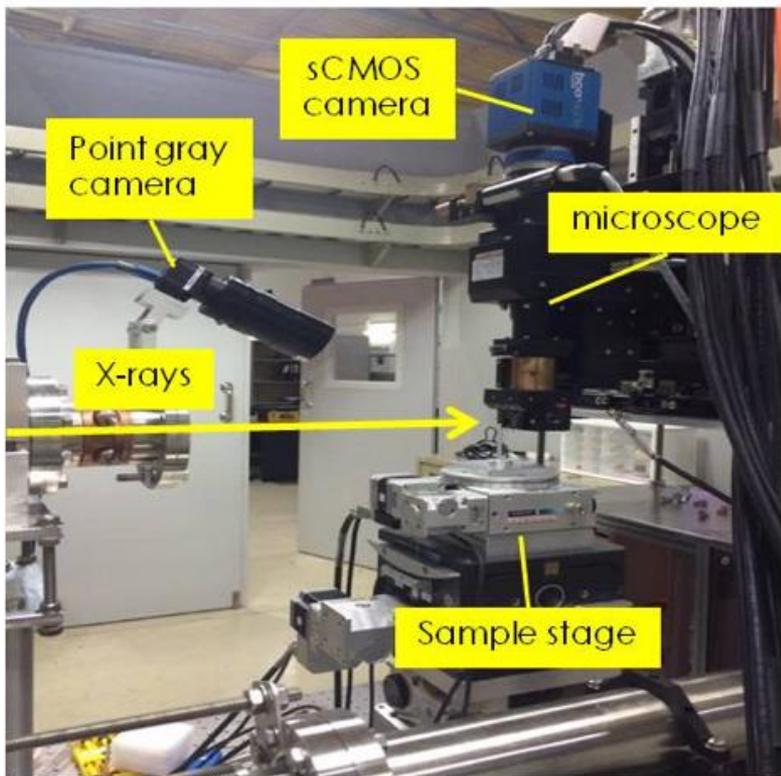

## BL1.2 : Control cabin - Computer station

- Experiment control & setup
- Data acquisition system
- Sample preparation
- Data processing & backup

# Experimental hutch of X-ray MicroCT Beamline

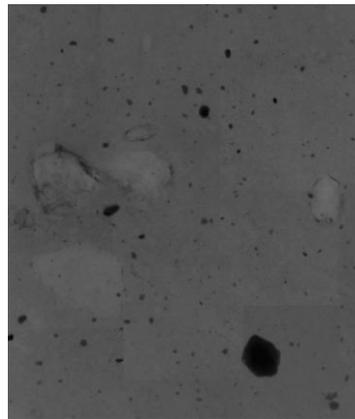

# Experimental setup & Sample preparation

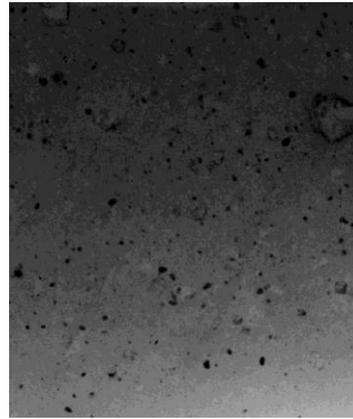

# X-ray imaging

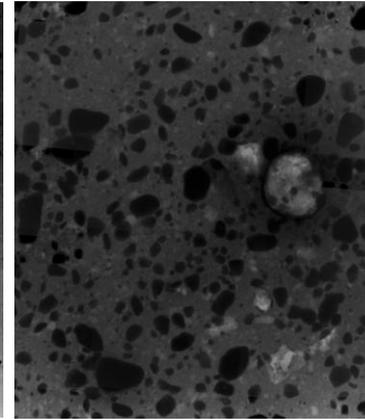

**12 wt% PZT**

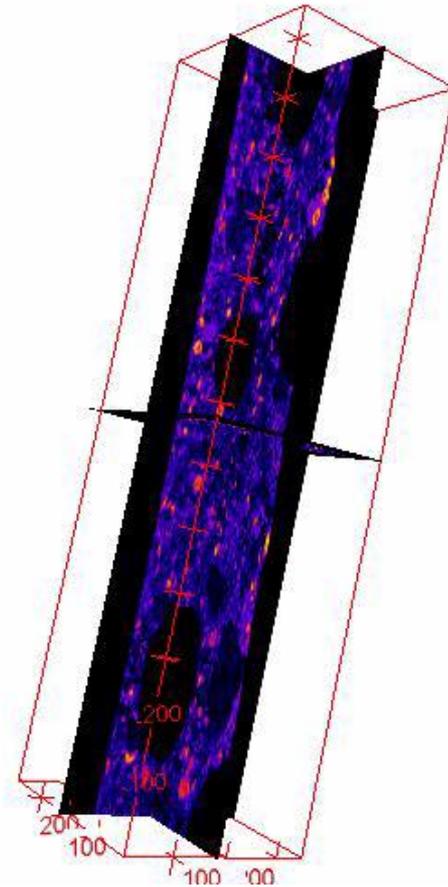

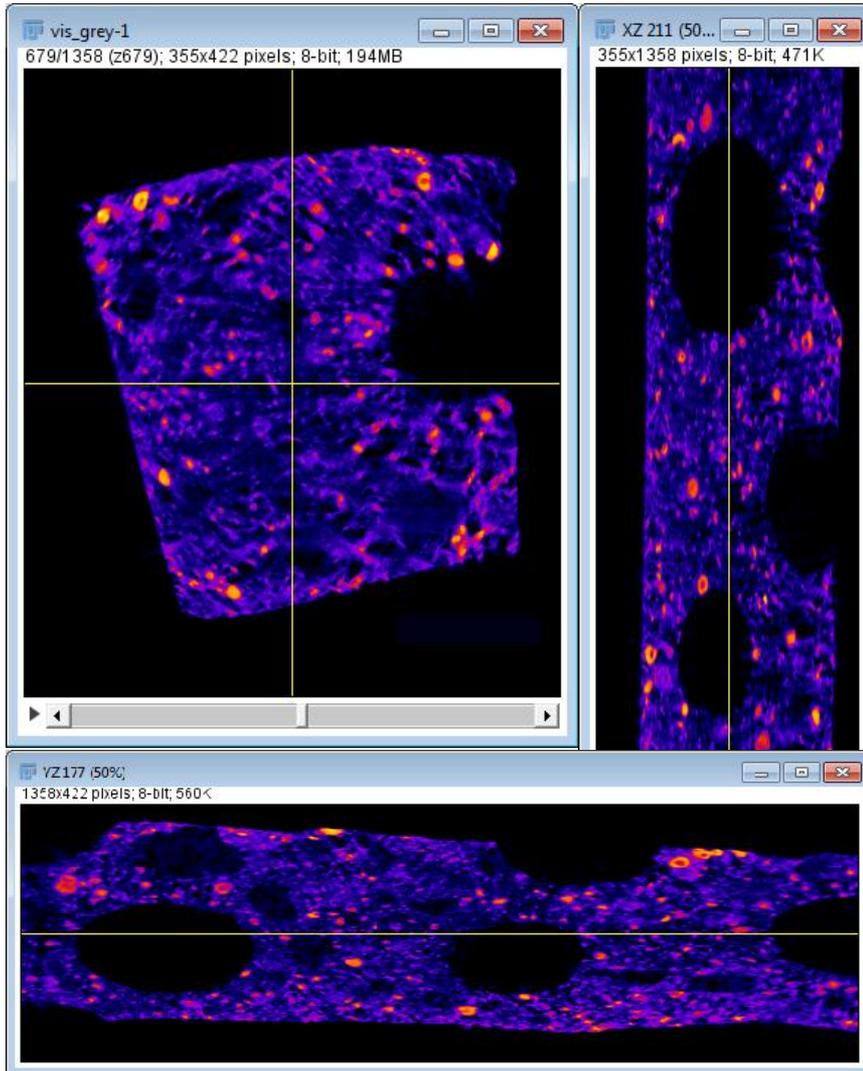

**20 wt% PZT**

**50 wt% PZT**

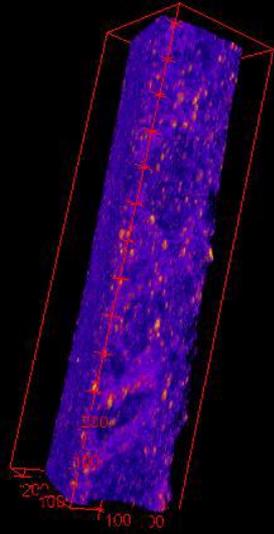

: Distributions and pores

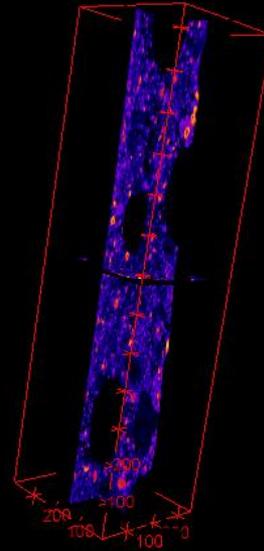

**BaTiO<sub>3</sub>/polydimethylsiloxane**
