Announcement of Synchrotron Light Research Institute (Public Organization)
Preventive Measure and Surveillance of Coronavirus (2019-nCoV)
(No.6)

Referring to the Announcement of Synchrotron Light Research Institute (Public Organization), dated 25 March 2020, on temporary closure from 26 March to 30 April 2020 for prevention of Coronavirus (COVID-19) outbreak, in order to sustain performing under related measures and prevent possible effects on health of SLRI colleagues and their routine responsibilities, an additional measure is needed to be implemented.

Under the SLRI Regulation on “Working Hours and Official Holidays” B.E. 2010 and the Decree of Board of SLRI, Ref. No. 8/2016, on “Appointment of Chief Executive Officer of Synchrotron Light Research Institute” issued on 1 June 2016, SLRI hereby announces that SLRI colleagues are required to continue working at residences from 1 to 15 May 2020. In this regard, heads of departments are required to assign work tasks based on work contexts, either on daily or weekly basis, to their colleagues and attentively manage all tasks to achieve expected departments’ outcomes as they have been practiced in normal situation.

For your information and complying with the stated measure.

Issued on 29 April 2020
