**Announcement of Synchrotron Light Research Institute (Public Organization)**  
**Preventive Measures and Surveillances of Coronavirus (2019-nCoV)**  
**(No.12)**

In order to effectively implement preventive measures of Coronavirus (COVID-19) outbreak in Nakhon Ratchasima under the Announcements of Nakhon Ratchasima Communicable Disease Committee, additional preventive measures and surveillances of COVID-19 are required as appropriate guidelines for SLRI colleagues.

Pursuant to the Decree of Board of SLRI, Ref. No. 7/2020, on “Appointment of Chief Executive Officer of Synchrotron Light Research Institute” issued on 29 May 2020, SLRI hereby issues the Announcement of Synchrotron Light Research Institute (Public Organization) on Preventive Measures and Surveillances of Coronavirus (2019-nCoV) (No.12) as follows:

1. SLRI colleagues staying overnight and returning from maximum control areas (red zones) which are deemed the highest-risk for the spread of COVID-19 by Center for COVID-19 Situation Administration need to perform as follows:

1.1 inform heads of the communities, village health volunteers, or public health officers within 12 hours after returning to Nakhon Ratchasima

1.2 after informing authorized officers, strictly implement self-quarantine at residences for 14 days to monitor symptoms and comply with advices of communicable disease control officers for risk reduction of COVID-19 outbreak

2. SLRI colleagues staying overnight and returning from maximum control areas (red zones) need to inform superiors of their return via electronic mails, without having physical presence at SLRI.

/ 3. Superiors of SLRI...

3. Superiors of SLRI colleagues stated in Article 1 needs to assign work tasks, either on daily or weekly basis, to colleagues for their performing at residences until their 14-day quarantine period is terminated.

4. Safety Division is required to report name list of SLRI colleagues returning from maximum control areas (red zones) stated in Article 2 to SLRI related executive.

5. For risk reduction of COVID-19 infection, heads of departments are required to implement as follows:

5.1 For SLRI colleagues not returning from maximum control areas (red zones) stated in Articles 1 and 2, heads of departments may assign work tasks, either on daily or weekly basis, for them to perform work at residences. In this regard, the heads need to set specific work objectives, outcomes, performance indicators, communication channels, work monitoring system, work progress reports, and operation reports to achieve expected departments' outcomes as they have been practiced in normal situation.

5.2 During the period of working from home, ID card or finger scan for clocking in and off are exempted and payment for over-time is not provided. In a case of necessity, it will be considered by a responsible head of department.

6. SLRI colleagues who have planned for trips to maximum control areas (red zones) declared by Announcement of Center for COVID-19 Situation Administration need to refrain or postpone all their trips.

7. Clause 10 stated in the Announcement of Synchrotron Light Research Institute (Public Organization) on Guidelines for Prevention Measure and Surveillance of Coronavirus (2019-nCoV) (No.11) is repealed and the following Clause shall be enforced instead:

*“SLRI services with physical presence of users shall be provided only to domestic ones except for those coming from COVID-19 affected provinces as declared by the Nakhon Ratchasima Communicable Disease Committee or from maximum control areas (red zones) declared by Announcement of Center for COVID-19 Situation Administration. SLRI colleagues are required to provide services based on health safety and risk reduction measures of COVID-19 outbreak and performed in accordance with Announcements of SLRI on Preventive Measures and Surveillances of Coronavirus (2019-nCoV), Commands and Announcements of Nakhon Ratchasima Communicable Disease Committee, Commands and Announcements of Center for COVID-19 Situation Administration, and Commands of the Council of Ministers of Thailand.”*

*/ 8. Clause 11 stated...*

8. Clause 11 stated in the Announcement of Synchrotron Light Research Institute (Public Organization) on Guidelines for Prevention Measure and Surveillance of Coronavirus (2019-nCoV) (No.11) is repealed and the following Clause shall be enforced instead:

*“Visits by a person or a group of people to SLRI from maximum control areas (red zones) declared by Announcement of Center for COVID-19 Situation Administration need to be refrained until further notice.”*

In this regard, SLRI colleagues can acquire real-time surveillance of the outbreak from both the Center for COVID-19 Situation Administration at website: <https://www.facebook.com/ThaiCovidCenter/> and the Nakhon Ratchasima Communicable Disease Committee at website: <https://covid-19.nakhonratchasima.go.th/frontpage>. SLRI colleagues are also requested to promptly inform Mr. Methee Sophon, Chief of Safety Division, of suspected infection case at Tel: 081-7183013 or at SLRI Official Line Group for further disease control.

For your information and strictly complying with the announcement from 4 to 31 January 2021 or until further notice.

Issued on 4 January 2021
