Announcement of Synchrotron Light Research Institute (Public Organization)
Preventive Measures and Surveillances of Coronavirus (2019-nCoV)
(No.24)

Referring to the more serious COVID-19 outbreak with continual rise in cases in many regions nationwide including Nakhon Ratchasima area, and the Order of Center for COVID-19 Situation Administration (CCSA) Ref. No.11/2021 on declaration of the maximum control and highly restricted areas, the maximum control areas, and the control areas which declares Nakhon Ratchasima as a maximum control and highly restricted area, SLRI therefore announces additional preventive measures.

Pursuant to the Decree of Board of SLRI, Ref. No.7/2020, on “Appointment of Director of Synchrotron Light Research Institute” issued on 29 May 2020, SLRI hereby issues the Announcement of Synchrotron Light Research Institute (Public Organization) on Preventive Measures and Surveillances of Coronavirus (2019-nCoV) (No.24) as follows:

1. SLRI colleagues need to perform work at residences from 2 to 31 August 2021, make work-progress reports and submit them to superiors. During this period, heads of departments have to assign possible works, either on daily or weekly basis for SLRI colleagues to perform at residences. Arrangement for alternate working times on-site is possible based on safety issue. In addition, heads of departments need to attentively manage all tasks to achieve expected departments’ outcomes as if they are performed in normal situation based on work context of each department.

For other necessary tasks or ones with risk of COVID-19 infection, each case need to be proposed with disease preventive measures for Director’s consideration.

2. Synchrotron light service is suspended from 2 August 2021 onwards until further notice.

3. SLRI colleagues having tasks related to organizational management or control of COVID-19 situation are permitted to perform on-site working.

4. During the period of working from home, ID card or finger scan for clocking in and / off are exempted...

off are exempted and payment for over-time is not provided. In a case of necessity, it will be considered by a responsible head of department on a case-by-case basis.

5. SLRI colleagues performing work at residences, according to Article 1, need to be contactable by phones or other contact devices during the office-hour period for related communication in order to achieve work performance outcomes.

6. SLRI executives need to be accessible to teleconference platform and SLRI colleagues need to be available for performing on-site working when required.

7. Non-SLRI colleagues travelling to SLRI for business from the maximum control and highly restricted areas or the maximum control areas as declared by CCSA need to strictly abide by measures of CCSA and announcements of Nakhon Ratchasima Communicable Disease Committee.

8. For risk reduction of COVID-19 infection, SLRI colleagues need to avoid travelling to places at risk or crowded communities and abide by preventive measures as follows:

8.1 always wear surgical masks and maintain at least 1-2 meters of distance in contacting with other people, and discard all used surgical masks in the provided containers or in closed plastic bags

8.2 always do handwashing with soap and water or 70% alcohol-based-hand sanitizer

8.3 do not share food containers, cutlery, and personal belongings with other people

8.4 in case of having COVID-19 symptoms or suspect of infection, contact a hospital for medical treatment and promptly inform a work superior

In this regard, SLRI colleagues can acquire real-time surveillance of the outbreak from both CCSA at website: <https://www.facebook.com/ThaiCovidCenter/>, and Nakhon Ratchasima Communicable Disease Committee at website: <https://covid-19.nakhonratchasima.go.th/frontpage>. SLRI colleagues are also requested to immediately inform Mr. Methee Sophon, Chief of Safety Division, of suspected infection case at Tel: 081-7183013 or at SLRI Official Line Group for further disease control.

For your information and strictly abiding by the announcement from the issued date onwards.

Issued on 2 August 2021
