Announcement of Synchrotron Light Research Institute (Public Organization)
Preventive Measures and Surveillances of Coronavirus (COVID-19)
(No. 37)

Regarding the current changing situation of COVID-19 pandemic, SLRI deems appropriate to alleviate the preventive measures and surveillances of Coronavirus (COVID-19) to respond to the current situation.

Pursuant to the Decree of Board of SLRI, Ref. No. 7/2020, on “Appointment of Director of Synchrotron Light Research Institute” issued on 29 May 2020, SLRI hereby issues the Announcement of Synchrotron Light Research Institute (Public Organization) on Preventive Measures and Surveillances of Coronavirus (COVID-19) (No. 37) as follows:

1. SLRI colleagues with positive results of either Antigen Test Kit (ATK) or RT-PCR need to perform as follows:

1.1 COVID-19 confirmed cases or colleagues who are at risk of infection need to inform Chief of Safety Division for further action on the COVID-19 treatment guidelines.

1.2 COVID-19 confirmed cases need to have medical treatment following the guidelines of Ministry of Public Health.

1.3 The asymptomatic COVID-19 cases or those with mild symptoms (“green group”) having home isolation treatment and would like to work at residences need to perform as follows:

| Items | COVID-19 Screening Measures |
|-------------------------------------|---|
| - Officers and outsourced employees | <ul style="list-style-type: none">Each case submits a memorandum to request for working at residence to head of department or superior of equivalent position, through respective superior. |

| Items | COVID-19 Screening Measures |
|---|---|
| - Project employees, research-funded students, internship students, and visiting students/ scientists | <ul style="list-style-type: none"> • Permission for working at residence is under consideration of a responsible superior/ SLRI responsible colleague. |
| - Deputy directors, heads of departments, or equivalent positions | <ul style="list-style-type: none"> • Each case submits a memorandum to request for working at residence to the director. |

1.4 The COVID-19 confirmed cases admitted to hospitals are required to take leave based on related SLRI regulations.

1.5 The COVID-19 confirmed cases indicated by doctors that their transmission period is over need to submit medical certificates to Safety Division before getting back to work at SLRI

1.6 Safety Division collects data of COVID-19 confirmed cases

2. All colleagues need to comply with the COVID-19 screening measures as follows:

2.1 Screening measure

| Items | COVID-19 Screening Measures |
|---|---|
| - Officers, outsourced employees, project employees, research-funded students, internship students, and visiting students/ scientists | <ul style="list-style-type: none"> • In the case of having symptoms, or suspect or at risk of COVID-19 infection, have the ATK testing to test for infection • report the test results to Safety Division |
| - Security guards, housekeepers, and employees of SLRI canteen | <ul style="list-style-type: none"> • In the case of having symptoms, or suspect or at risk of COVID-19 infection, have the ATK testing to test for infection • report the test results to Safety Division |
| <ul style="list-style-type: none"> • The ATK can either be received from Safety Division or self-provided. | |

/ 2.2 Meeting arrangement...

2.2 Meeting arrangement measure

2.2.1 arrange the meetings or activities online as much as possible

2.2.2 after each meeting, all equipment such as desks, chairs, microphones must be cleaned up.

2.3 Dining measure

2.3.1 SLRI canteen is permitted to provide service.

2.3.2 avoid dining with large group of people without social distancing for risk reduction of widespread COVID-19 infection

2.3.3 for dining at staff common room or canteen, social distancing must be followed.

2.4 Personal measure

2.4.1 always wear surgical masks except for when drinking or eating, maintain at least 1-2 meters of distance in contacting with other people, and discard all used surgical masks in the provided containers or in closed plastic bags

2.4.2 always do handwashing with soap and water or 70% alcohol-based-hand sanitizer

2.5 Service measure

Related services at SLRI shall be provided as in normal situation with users having temperature checked before entering SLRI area.

3. For reduction of COVID-19 infection, SLRI colleagues need to avoid travelling to places at risk or crowded communities and strictly comply with the Universal Prevention for COVID-19 measures declared by Center for COVID-19 Situation Administration (CCSA) and Nakhon Ratchasima Communicable Disease Committee.

In this regard, SLRI colleagues can acquire real-time surveillance of the outbreak from both CCSA at website: <https://www.facebook.com/ThaiCovidCenter/>, and Nakhon

/ Ratchasima Communicable Disease...

Ratchasima Communicable Disease Committee at website: <https://covid-19.nakhonratchasima.go.th/frontpage>. SLRI colleagues are also requested to immediately inform Mr. Methee Sophon, Chief of Safety Division, of suspected infection case at Tel: 081-7183013 or at SLRI Official Line Group for further disease control.

For your information and strict complying with the announcement from the issued date onwards until further notice.

Issued on 5 July 2022
